

# SUGGESTED RENTAL RATES

The following are suggested rental price ranges for homes in Fayette (Peachtree City, Fayetteville, and Tyrone) during the 2026 FIFA World Cup. Actual rental values may vary depending on the size of the home, location within the county, proximity to event venues and Trilith Studios, as well as any special features or upgrades your home offers.

These rates assume homes are well-maintained, in good to excellent condition, and equipped with modern, functioning amenities.

Homeowners should also factor in cleaning services, which typically run \$250–\$350 per visit for a 4-bedroom, 2.5–3.5 bath home. Costs will vary depending on how frequently services such as linen changes are requested.

Please note: Listing your home does not guarantee a rental. Being competitive with your pricing will increase the likelihood of securing a booking.
